Duration

Type	Minimum	Normal	Maximum
Full Time	1 Acad. Years	2 Acad. Years	3 Acad. Years
Part Time	2 Acad. Years	4 Acad. Years	5 Acad. Years

Research Monitoring and Thesis Completion

Formal monitoring and evaluation of research progress are to be carried out every semesters. Student's research progress report is to be submitted to the Kulliyyah's Research and Postgraduate Committee through *I-Monitor* for assessment and approval.

Lack of progress in research work in two consecutive periods would lead to the termination of studies. Students research works will be evaluated based on their written thesis that will be examined by both external and internal examiners. It is compulsory for PhD students to submit research findings for publication before proceeding for viva.

Application for Extension Duration of Study

Students are required to submit the following in the application for extension normal duration of study:

1. An appeal letter which states the reason(s) clearly and justifications on how the extra time can help the student to complete the research work.
2. A strong recommendation letter from the supervisor to justify how the extra time can help the student to complete the research work
3. A revised study plan in the form of Gantt Chart;
4. A list of Chapter has been written and yet to be written.

**** Appeal for extension should be submitted to the Office of Deputy Dean (Postgraduate & Research), One (1) month before the normal study period ended.*
