INTERNATIONAL YOUNG SCHOLARS JOURNAL OF LANGUAGES

Foreword

Welcome to the International Young Scholars Journal of Languages 2022 (IYSJL 2022).

International Young Scholars Journal of Language (IYSJL) is an online, peer-reviewed biannual journal. The journal aims to provide an avenue for young scholars to publish their research work and to share their findings or insights with other young scholars, academicians and practitioners. The objective of this journal is to inspire undergraduate students to become prolific writers. The journal is published by the Kulliyah of Languages and Management, International Islamic University Malaysia, Pagoh Campus.

I hope that this issue would incite curiosity among the researchers and would encourage them to further participate actively in academic research. I also hope you find this issue to be intriguing, thought-provoking and useful in reaching new milestone.

I would like to express my gratitude to all contributors who have made this issue possible, as well as the reviewers for their professional contribution. Last but not least, my heartfelt gratitude to the Dean of KLM who has trusted me with the task of Chief Editor.

Jazakumullah khairan khatira. Barakallah.

Mohamad Suhaizi Suhaimi, PhD.
