Kulliyyah of Education

The Kulliyyah of Education (KOED) is one of Malaysia's top education schools, delivering a wide range of undergraduate and postgraduate courses. The Kulliyyah comprises prominent scholars in various fields of specialization. It offers a unique experience of an Islamic, integrated and international programme with an emphasis on comprehensive excellence.

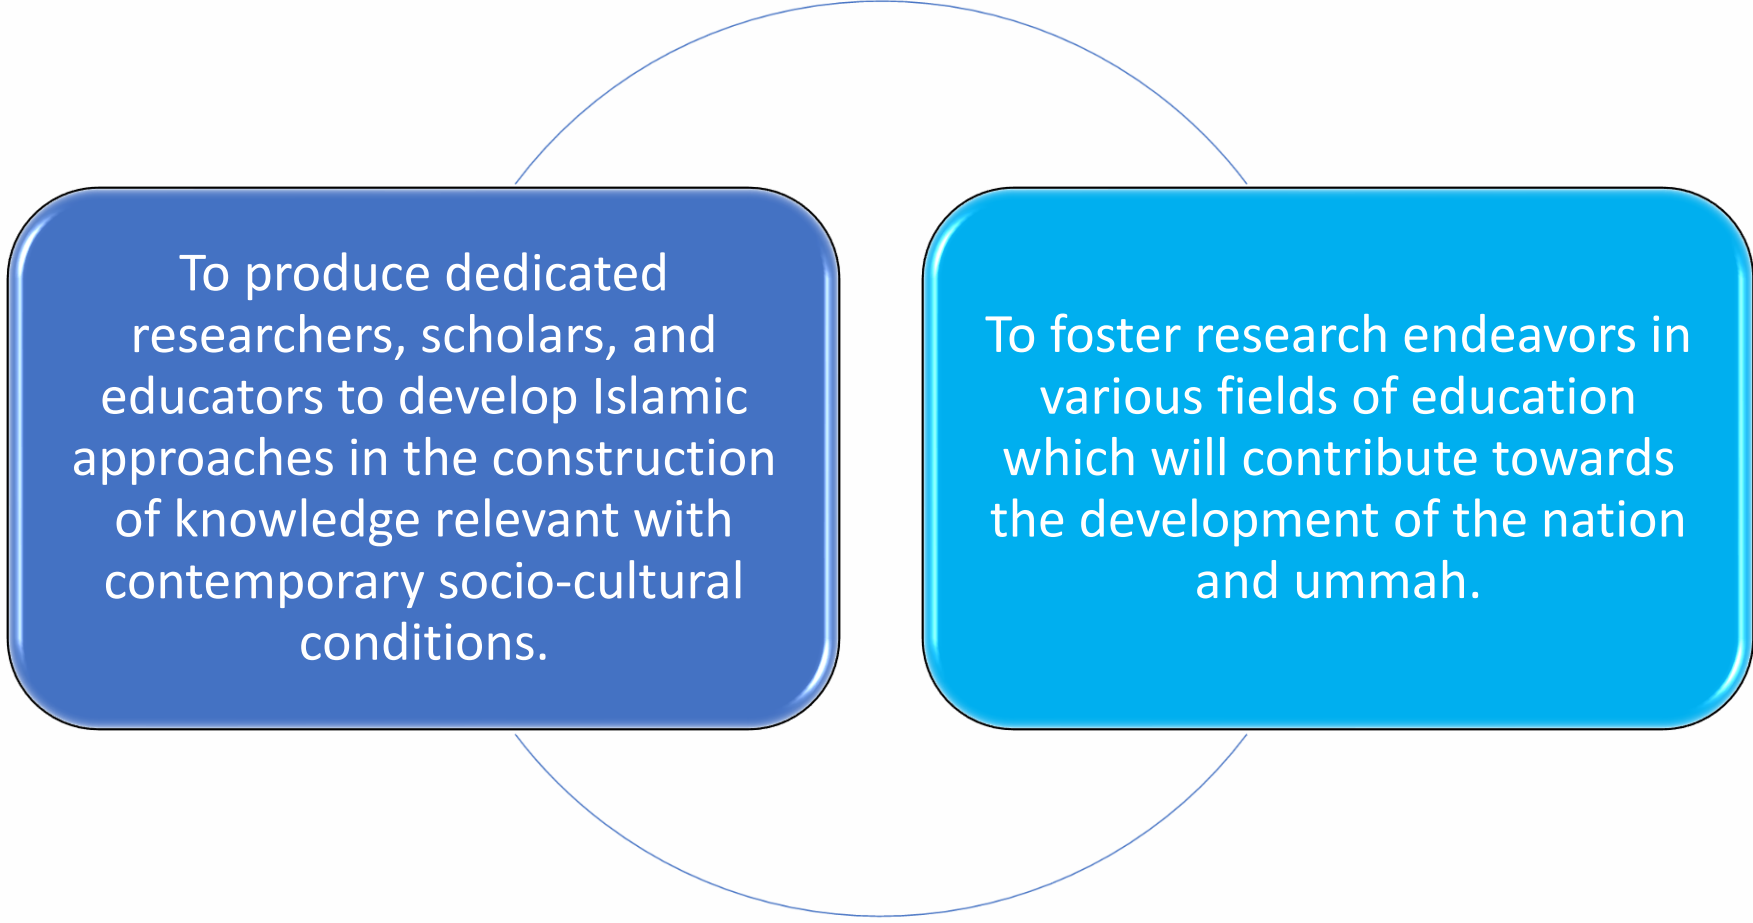

KOED strives for educational excellence by bridging the gap between educational theory and practice, and to inspire its students to develop lifelong learning skills and practical knowledge that will significantly enhance their future career and quality of life. Many of its graduates have gone on to occupy a wide range of leading roles.

KULLIYAH VISION

To become a renowned Islamic centre for education nationally and internationally, consistent with the vision of the IIUM.

KULLIYYAH MISSION

To produce dedicated researchers, scholars, and educators to develop Islamic approaches in the construction of knowledge relevant with contemporary socio-cultural conditions.

To foster research endeavors in various fields of education which will contribute towards the development of the nation and ummah.

The Objectives of KOED

Aims to produce all levels of professionals in education who are endowed with the following characteristics

Proactive, critical, creative and innovative.

Subscribe in total submission to the command of Allah.

Committed to follow Allah's guidance in all aspects of their lives

Knowledgeable and skillful in applying various educational principles, techniques and technology.

Able to carry out and are totally committed to the mission of developing and nurturing Islamic personality in their students.
