ACADEMIC INTEGRITY FORM (FOR ONLINE FINAL EXAMINATION)

I, _____ (name)
_____ (no. matric) hereby declare that the work submitted for the online final examination of the courses list attached (*attached the courses lists*) represents my individual effort.

For this online final examination, I make the following truthful statements:

- i. *I have not received, I have not given, nor will I give or receive, any assistance to another student taking this exam, including discussing the exam with students in another section of the course.*
- ii. *I have not plagiarized someone else's work (from any written or internet based resources) and turned it in as my own.*
- iii. *The answers that I composed to the questions in this online final examination are of my understanding and consolidation of all materials I learned, and they are not of materials that I copied and pasted from available resources.*
- iv. *This work is of my own individual effort and I did not request another person to complete it for me.*
- v. *Should my work be found to be a plagiarized work, I understand that such act is considered a form of academic dishonesty and it may be penalized to the full extent allowed by the International Islamic University Students' Discipline Rules 2004, including receiving a failing grade for the course.*
- vi. *I recognize that I am responsible for understanding the provisions of the International Islamic University Students' Disciplinary Rules 2004 as they relate to this academic exercise.*
- vii. ***According to the Student Academic Performance Evaluation (SAPER): -***
 - a. *"for attempted cheating, the candidates shall be suspended under the Student Disciplinary Rules and shall receive an 'F' grade for the course".*
 - b. *"for cheating, the candidates shall be expelled from the University as provided by the Student Disciplinary Rules and shall receive an 'F' grade for the course".*

Yours Sincerely,
