INTERNATIONAL YOUNG SCHOLARS JOURNAL OF LANGUAGES

Foreword

Welcome to the International Young Scholars Journal of Languages 2024 (IYSJL 2024).

The International Young Scholars Journal of Languages (IYSJL) is an online, peer-reviewed biannual journal dedicated to fostering young scholars' research. We provide a platform for undergraduate students to publish their work, share their findings, and engage with the broader academic community. The IYSJL is published by the Kulliyyah of Sustainable Tourism & Contemporary Languages at the International Islamic University Malaysia, Pagoh Campus.

This volume is particularly special as it includes submissions from our esteemed partners at Brawijaya University, Indonesia. We hope this issue will ignite curiosity and encourage active participation in academic research among all students. We trust you will find the articles intriguing, thought-provoking, and valuable in your academic journey.

We extend our sincere gratitude to all contributors who have made this issue possible, as well as the diligent work of our Assistant Editors.

Jazakumullah khairan khatira. Barakallah.
